From our Considerations;

Mr. Ambassador of the USA in Ecuador, receive a fraternal greeting from the International organization EDDHIAC registered in UNDESA and with a partnership in the Americas and other international organizations, including UNIPOL ACADEMY, being our duty to place ourselves at your disposal as a request of the United Nations taking into account the SDG 17 that asks us to reach agreements between international representatives to strengthen links and the fight against the Violation of Human Rights, as an International NGO covered by UN/ ARES RESOLUTION 53/144 on the Protection that United Nations Member States must provide to our Delegates, we count on your support so that the dignity of our personnel is respected since they are voluntarily those who provide humanitarian service and Human Rights in the World. We attach documents that do not accredit as an International NGO and we request your support as an Embassy for our colleagues in the same Country. We ask that you provide us with a supporting document to continue our work in Ecuador.

sincerely
