Universities - Laboratories - Research Centers...

Gain for your research:

- funding,
- support for production,
- and strengthened mobilization of results.

Do you have a research question, a need for knowledge, a field site or community in mind **and want to broaden it through a Participatory Research initiative or project**? Let's work together to design the project that suits you.

For [over 30 years](http://www.osi-ngo.org) [http://www.osi-ngo.org], the NGO OSI has promoted Participatory Research activities across all continents, including [in support of Governmental Policies for Sustainable Development](https://osi-ngo.org/nos-actions/article/sciences-participatives-au-services-des-politiques-gouvernementales-pour-les) [https://osi-ngo.org/nos-actions/article/sciences-participatives-au-services-des-politiques-gouvernementales-pour-les].
