INVITATION (FR/EN) at Paris for the physically meetings (confirmed) and online for the hybrid interactive remote sessions from Monday 15th to Tuesday 30th March, 2021.

We are pleased to invite you, if you wish, to follow and participate in the Strategic Committees of the different Programs of the NGO Objectif Sciences International.

Your participation in these Strategic Committees will allow you to choose where to get involved in the NGO, or with the NGO, either personally or in partnership through your organization.

If you want to create and propose a new Participatory Science project, it will also allow you to discover within which existing Program you can propose your new Scientific Trips.

To receive the access link and physical address in Paris :
